

Thornlite for reputation, reliability and great performance.

Thornlite 120 is the latest addition to our world famous range of stage and TV lighting control systems.

Small in size, microprocessor based, it's a big performer with 120 channels, unlimited memory capacity and control facilities beyond any known system in its class. It's compact, light and can easily be carried by one person.

For the big user there's the Thornlite 500. The biggest system in the world with up to 500 circuits and a host of special options.
