This new and much enlarged edition of British Theatre Design (now 80 pages, 16 in full colour) is a beautifully illustrated and permanent record of the work of British designers during the last four years for theatres in this country and abroad.

The examples are taken from the fine collection on show at the National Design Exhibition at Riverside Studios in May 1987.

The designs chosen are for small stages as well as large, by new up-and-coming designers as well as the established names. An abundance of illustrations included are model designs, production photos and costume drawings by more than 75 designers.

Price **£7.95** (plus £1.30 postage and packing)
