

When a telescopic stand has to be used the suspension fork has to be reversed and a spigot adaptor is required to screw over what was the suspension bolt.

The smaller units, Patt 23, 45, 60, 123, 137, 202, 223, 263, 264, are provided with a $\frac{3}{8}$ -in. bolt and require a ref. 484 spigot adaptor which will fit ref. 626, 627, or 628 stands. These units require a ref. 592 TV spigot to fit a ref. 702 TV stand.

The larger and heavier units, Patt 49, 149, 252, 253, have a $\frac{1}{2}$ -in. bolt and require a ref. 487 spigot adaptor which will fit ref. 626, or 628 stands only. These units require a ref. 593 TV spigot to fit a ref. 702 stand.

Ref. 484 Spigot Adaptor for $\frac{3}{8}$ -in. bolt. For Patt 23, 45, 60, 123, 137, 202, 223, 263, 264. Weight $\frac{1}{4}$ lb. (0.35 kilos).
Ref. 487 Spigot Adaptor for $\frac{1}{2}$ -in. bolt. For Patt 49, 149, 243, 252, 253. Weight $\frac{1}{4}$ lb. (0.35 kilos).
 Supplied with Patt. 265, 293.
