

Exploded view diagram of a rectangular electronic device assembly. The components are numbered 1 through 18. The main housing is labeled 1. The top cover is labeled 3, with three screws labeled 14. The front panel is labeled 2, and the rear panel is labeled 15, with a note "REAR MOUNT (2 PLCS.)". A bracket is labeled 5. A connector or plug is labeled 10, with a note "(3 PLCS.)". A cable or wire is labeled 8 and 9. A latch or hinge is labeled 11, 12, and 13. A dimension of 2.5 inches is indicated on the top cover. Other components include a screw (4), a nut (7), a washer (16), a pin (18), and a small component (1).

ITEM NO.	PART NO.	NO. REQ.	DESCRIPTION
