Stage Products
We are designers and manufacturers of individual composite stage and drama studios including the supply of rostra, drama shapes, scenery fittings and materials, fit-up frames, suspension equipment, manually and electrically operated tracks, sound equipment, lighting and controls. In other words everything for the studio and stage. We also stock a wide range of stage and associated equipment, ready for on-the-spot service. We are able to undertake alterations to existing stages including complete refurbishment.
Take advantage now of our consultancy design, repair and maintenance services.
ASG for everything for the **STAGE**
