## Communicating Loud and Clear

Successful projects depend on reliable, clear communications. The entire range of **Clear-Com** analogue and digital intercom systems is available in the UK from **Autograph Sales** - including master stations, remotes and belt packs - for live event, broadcast, production and industrial installations.

102 Grafton Road London NW5 4BA tel: 071-485 3749 /071-267 6677 fax: 071-485 0681  
Ring us for a copy of The Portfolio, which contains details of our full product range.
