

IS THIS

YOU?

Are you a Chartered Accountant? A Butcher? Or even a Candlestick Maker? But mainly, are you one of the several thousand stage lighting aficionados whose pleasure it is to give their time, effort and – most of all – their enthusiasm to lighting amateur productions.

If you are I would like to hear from you.

We want to start a regular TABS feature especially for the amateur. It doesn't matter whether you are the lighting designer of a prestigious local Operatic Society or lighting a three hander in the Village Hall at Bishops Nympton.

We believe the amateurs have a lot to say to each other.

If you feel you could write a short piece on 'How I lit the show' you will receive some small fame through TABS wide circulation, plus a modest author's fee.

Hints and Tips

If you don't have the time for an article but feel you have a useful hint or tip for other amateurs please send it to us. Photos or sketches always help to explain. Photos should be black and white prints or colour transparencies. Colour prints are not suitable for reproduction.

For every TABS Hint we publish we will send you a Strand Gift Voucher worth 25 pounds. (These vouchers can be used in full or part payment for any Strand, Cinemoid or Chromoid product, or for lamps).
