**GENERAL HIRE CONDITIONS****APPARATUS**

While every endeavour will be made to supply lanterns described in this leaflet, abnormal demands on stocks held may render it necessary to substitute other designs. All apparatus remains the absolute property of this Company, the Hirer undertaking to return the said apparatus to the Company's Stores in good order and condition, and to be responsible for any damage arising howsoever, excluding by fire.

**LAMPS**

The Company undertakes to maintain lamps in the case of electrical failure under normal working conditions, but the Hirer must accept full responsibility for mechanical damage.

All faulty lamps must be returned for inspection by the Company, otherwise they will be charged to Hirer's account.

**DELIVERY**

All apparatus is delivered free in London's Theatre Land, which is defined as being within a circle of two miles radius of Leicester Square.

Deliveries outside this area are charged at cost. All apparatus is suitably packed, where necessary. Such packing must be used by Hirer when returning apparatus.

If any damage or shortage occurs in delivery, notice in writing **MUST** be given to the local depot of the Railway Company or other carriers, within three days. Damaged goods should be retained with the original packing for a reasonable period for inspection by carriers and returned with other Hired Goods at conclusion of Hire period. Failure to observe this will result in Hirer being charged with cost of repair or replacement of damaged article(s).

**HIRE CHARGES**

Hire charges are based on a period of one week or part thereof and are charged weekly, irrespective of whether the goods are in use or not.

**ORDERS**

All orders for hire of apparatus must be confirmed in writing.

**PAYMENT**

Ledger Accounts will be opened upon satisfactory references being furnished. Cheques, Postal Orders, and Money Orders to be made payable to The Strand Electric and Engineering Co., Ltd., and crossed "Midland Bank Ltd." All hire charges are **STRICTLY NET**, and are **DUE** and **PAYABLE WEEKLY**.

**IMPORTANT**

When ordering equipment please do not fail to state voltage of supply.
