Michael Jackson World Tour 1987-88 • Allen Branton – Designer

When you're on the road you need total commitment from your production company. That's what you'll get from **Nocturne**.

We are full-service, providing everything from eye-opening special effects, dramatic stage lighting, general contracting, staging and set design, large screen video projection and taping and rigging.

## **Nocturne**

represents the best, from tour managers to assistant carpenters. We can assist you with all your production decisions. Tour production is what **WE** do.
