last year's competition we're repeating it**

First Prize

**For the best two entries – a three day, all
expenses paid trip to Showlight '89.**

10 Runner-up Prizes

**10, Sharp Personal
Organiser IQ 7000**

Rosco need your help in their continuous search for a better understanding of colour and world-wide creative and technical use of gel in theatre and television.

Your responses will help us sustain our policy of introducing new colours to meet and anticipate designers' needs around the world.

A distinguished panel of judges has been assembled; all lighting practitioners from either, or both, theatre and television.

Please rush the Supergel Competition details to me.
