

Theatre Projects Services Ltd is unique. From under one roof in London, lighting sound and audio-visual systems, each tailored to a specific and detailed brief, are despatched to every corner of the globe. Each project is different, so we reject off-the-peg economy, for the power of flexibility.

Theatre Projects Services is not an equipment distributor, so no manufacturer can oblige us to specify, or rent anything but the right tools for the job.

Our own experienced team of designers and engineers, familiar and confident with the vast range of equipment available to them, will escort your project from concept to spectacular finale.

So you see, for over two decades, with a client list that ranges from West End theatres to Multi-national organisations, the emphasis has always been, not on the Theatre, nor the Projects, but the Service.

If you are responsible for organising a conference, product launch or any form of theatrical event, contact us now, either by telephoning, or writing for our brochure.
