

Introducing...a color changer that fades!

ColorFader™

The innovative fading color changer from Pan-Command features:

- Bump and fade directly to and from any color
- Utilizes same patented technology as the PC Spot.
- Unlimited choice of color (instead of preselecting only 10 to 24).
- Variable speed color changes.
- Eliminates need for costly custom gel scrolls.
- Compatibility with most digital controllers.
- Works on both 7½" and 10" frames.

Find out how you can have all these features at a cost comparable to that of a standard color changer. For a closer look at the ColorFader, contact: Pan-Command Systems, Inc. 1271 Alma Ct., San Jose, CA 95112 (408) 297-7262.
