

## the expert approach- a lighting revelation

DMX512, AVAB, MIDI or ASCII, you name the language, the AVAB *expert* speaks it. *expert* is much more than just another lighting control system. It is the heart of any integrated performance system.

Video equipment, tape recorders and MIDI controlled equipment like sequencers and synthesizers all play important parts in today's live performances.

With *expert*, the lighting can be integrated with all of the other components. Taking further advantage of today's computer technology, you can load the lighting information down to a spreadsheet program in your personal computer for modifications.

*expert* has a number of modes of operation. Whether your previous board was an AVAB or another brand of lighting control system,

*expert* will give you the possibility to work the board exactly the way you used to.

*expert* is designed for all performance lighting applications, from the repertory theater to rock & roll world tours.

*expert* is available worldwide.
