

# HMI Daylight Fresnels

## 200W-6kW using single ended MSR lamps

Our HMI range like the PAR family is the only range of daylight Fresnels designed from the start as a complete family. No other range of daylight Fresnels in the market today provides as many benefits as the new Strand Quartzcolor range, with its superior optics, ease of use and ease of maintenance.

HMI 200W  
 ● 27026 200W HMI Fresnel  
 ● 27020 200W HMI Kit

- A complete family: from 200 W to 6 kW, using single-ended MSR lamps
- Specifically designed lenses and reflectors provide superb optical performance
- Improved light quality and output, producing a flatter and more even field
- High quality, rugged, durable
- Corrosion resistant, for longer life
- Compatibility of parts throughout the range
- A comprehensive range of accessories, interchangeable with existing Quartzcolor products
- Easy to service and maintain: only 4 screws to remove to access the lamp holder and spot/flood mechanism
- ON-OFF buttons, operated from both head and ballast
- Bonding eyes and rigging hooks on larger heads
- Front and back focusing on larger heads
- New focus system, easy to adapt from manual to pole operation and maintenance free

HMI 400W  
 ● 27036 400W HMI Fresnel  
 ● 27030 400W HMI Kit

- Quick release lamp holders
- New easy running barndoor ears
- Scratch resistant black non-reflective housing
- All heads supplied with barndoor, colour frame, and head to ballast cable
- The 200W and 400W HMIs are also available as kits, including scrims, ballast and flight case
- The new range is UL and cUL listed and carries the international CE mark

HMI 575W  
 ● 27046 575W HMI Fresnel
