Unison D20 Dimmer Module

Contractor friendly, budget friendly

The best architectural lighting-control systems available.

- ✓ **Forget the forklift.** Our high-density dimmer-rack design means 50% smaller footprint than leading competitors' enclosures, with equal incandescent capacity.
- ✓ **Reduce labor overhead.** Our convenient dimmer modularity and topology-free, polarity-free wiring means easy installation and less work time.
- ✓ **Know you're covered.** All Unison dimmer racks, modules, and fans come with full 8-year warranty.
- ✓ **Rest easy.** ETC's acclaimed technical service is there, at any time of the day, wherever you are...

...and that adds up to lower costs over all.

Contractors, for more information about Unison architectural lighting control, go to www.etcarchitectural.com, or contact your ETC representative now.

Unison® Basics™

ADVANCED LIGHTING CONTROL FOR SMALL SYSTEMS

Unison Basics... a package of dimmers and controls designed specifically for small systems.

See the results with Unison Basics –

Save time: Easy to install, easy to wire.

Save money: Easy on the budget, easy on the upkeep.

Save headaches: Unmatched 8-year warranty, 24/7/365 factory service.

Small systems such as churches, restaurants and meeting rooms deserve the lighting control flexibility and reliability that until now has only been available to larger projects. Small systems need quality lighting control that provides basic features such as intuitive station operation, join/separate, astronomical time-clock and theatrical system integration.

Unison **Basics** offers a first-rate package of dimming and control equipment ideal for smaller-scale venues. And **Basics'** convenient off-the-shelf turnaround keeps your project right on schedule with 72-hour delivery.

All this, with ETC's industry-acclaimed, worldwide customer and technical support.

In a fraction of the time...

At a fraction of the cost...

Everything in Unison, by ETC.

- University of Indiana – Ballantine Hall, Bloomington, IN

PRODUCTS

120 Volt Rack Packages (Note: Dimmers not included)

Catalog #	Description
P123ML	6-module rack w/DMX control electronics
P243ML	12-module rack w/DMX control electronics
P483ML	24-module rack w/DMX control electronics
P123MCB	6-module rack w/DMX control electronics
P243MCB	12-module rack w/DMX control electronic
P483MCB	24-module rack w/DMX control electronics

277 Volt Rack Packages (Note: Dimmers not included)

Catalog #	Description
A123ML	6-module rack w/DMX control electronics
A243ML	12-module rack w/DMX control electronics
A483ML	24-module rack w/DMX control electronics
A123MCB	6-module rack w/DMX control electronics
A243MCB	12-module rack w/DMX control electronics
A483MCB	24-module rack w/DMX control electronic

120 Volt Dimmers

Catalog #	Description
D15	Dual 15A Universal Module (inc, lv, n/cc, 2&4-wire fl)
D15F	Single 15A Fluorescent Module (3-wire fl)
D20	Dual 20A Universal Module (inc, lv, n/cc, 2&4-wire fl)
D20F	Single 20A Fluorescent Module (3-wire fl)
R20	Dual 20A Relay Module (electrically held)
CC20	Dual 20A Constant Module AFM Airflow Module

277 Volt Dimmers

Catalog #	Description
AD20	Dual 20A Universal Module (inc, lv, n/cc, 2&4-wire fl)
AD20F	Single 20A Fluorescent Module (3-wire fl)
AR20	Dual 20A Relay Module (electrically held)
AFM	Airflow Module

Board Options

Catalog #	Description
ARCH	Architectural Kit (required for Unison station operation)
FLO	4-wire Fluorescent Option Board
BYP	Bypass Option Board
1PH	Single-Phase Strap

Architectural Controls

Catalog #	Description
U10001	1 gang, 1 button
U10002	1 gang, 2 button
U10005	1 gang, 5 button
U30407	3 gang, 4 fader, 7 button
U40707	4 gang, 7 fader, 7 button
ULCD	Touchscreen LCD

Interfaces

Catalog #	Description
USI	Dry-Contact Closure Interface
RS232	RS232 Interface
