

Strand Lighting

Continuous innovation and product improvement...

That's why Strand is the right range for the future as well as for today!

▲ Varna Opera House, Bulgaria, sports Strand luminaires and control by a Gemini 2.

▼ The Hong Kong Cultural Centre is a new addition to one of the world's most famous harbour skylines. Strand have been heavily involved, providing lighting control through 3 Galaxy 3s (one 450-way and two 120-way), 496 STM dimmers, and a great many luminaires including Preludes, Cadenzas, Cantatas and assorted floods, spots and colour changers.

▲ Canolfan Stiwdio Newydd Barcud, with Strand Galaxy 3 lighting control, Quartzcolor luminaires and Permuss dimmers.

▲ Vizi's Hall at the One Thousand and One Congress Centre, Marrakesh – lighting controls, dimmers and several hundred luminaires by Strand Lighting SA, France.

▶ Quartzcolor lighting provided the lighting at the draw of the 1990 Football World Cup in the Palazzo dello Sport in Rome.
