

The seal of real quality. From first to last, simple to highly complex, Clay Paky and Pulsar products are widely considered the very best in their categories. But Clay Paky and Pulsar also mean much more - from twenty years of professionalism to an endless list of technical firsts and market successes, a history of promises that have always been kept, the support of the best retailers and thousands of satisfied customers worldwide. This is what makes Clay Paky and Pulsar a Team to rely on, to ensure you are making a real investment in your future.
