

# A Shure Wireless System for under £300 (with no strings attached.)

## Shure T-Series Wireless Systems

You don't need to spend a small fortune to own a professional-sounding wireless system. Just step up to one of Shure's high performance, highly affordable T-Series systems.

Whichever you select, you'll get a system that's custom designed for your application, with an impressive array of standard features you'd expect to find only on the most professional systems.

Shure's exclusive 'battery saver' technology provides up to 18 hours of battery life and operates in conjunction with two LED indicators; one for on/off and another to warn when battery life is low. A convenient mute switch delivers noiseless control of on/off functions, while Shure's noise squelch circuitry virtually eliminates noise bursts.

Alternative systems are available with Shure's exclusive MARCAD® diversity receiver with its intelligent circuitry. MARCAD monitors and combines signals from two radio antenna, while eliminating dropout and switching noise.

So say goodbye to amateur hour and take a closer look at the wireless systems that can take you as far as you want to go.
